9. Important Guidelines for Applicants

1) Multiple applications within different admissions procedures or departments of the university are not permitted. Applicants may only apply to one department (major) as their first choice.
2) Once the application has been submitted, modifications or cancellations are not allowed. Please complete the application carefully.
3) The application fee will not be refunded for cancellations due to personal reasons, except when the number of applicants for the specific admission procedure is insufficient.
4) Applicants who fail to submit required documents, do not meet the eligibility criteria, or miss the interview will be considered disqualified. Submitted documents and application fees will not be refunded.
5) If any of the submitted documents contain false information or if it is discovered that the applicant does not meet the eligibility criteria or has gained admission through dishonest means, admission may be canceled even after enrollment.
6) By submitting an application to the university, you consent to the use of personal information as required for the admission process.
7) If the Korean government refuses to issue a visa, admission will be canceled and any paid tuition fees will be refunded (excluding the application fee).
8) The university reserves the right to reject applicants regardless of the number of applicants, if their academic abilities are deemed insufficient for pursuing university-level-studies.
9) Original documents must be submitted.
10) For documents in a foreign language other than English must be accompanied by a notarized Korean translation of the original document.
11) If the name on the submitted documents differs from the appicant's current name, a certificate of identity verification issued by a court in the applicant's country must be submitted.
12) The financial guarantor should, in principle, be the applicant's parent(s). If it must be a direct relative, documents proving the relationship with the applicant must be provided.
13) On the day of the interview, applicants must bring their admission ticket and identification (passport, alien registration card, etc.)
14) SKU does not have educational or support facilities for special education students and individuals with physical disabilities as stipulated by the Special Education Promotion Act.
15) For prospective graduates, if they fail to graduate within the year, their acceptance or admission will be canceled.
16) In the case of countries participating in the Apostille Convention, all documents requiring notarization must be translated in English or Korean and accompanied by an Apostille.
    If the country is not a participant, or if an Apostille cannnot be obtained, a 'Certificate of Educational Institution' or 'Consular Confirmation' must be obtained from the Korean consulate in the applicant's country.
17) The university is not responsible for any disadvantages caused by incorrect contact information, changes in contact details, or inability to contact the applicant due to unavailability.
18) Final enrollees are required to enroll in the National Health Insurance program.

19) Matters not specified in the admission guidelines will be handled according to the university's admission policies.

▣ Important Notes on Tuition Payment

◑ The full tuition amount must be paid within the designated period. Scholarships based on the Test of Proficienct in Korean (TOPIK) will be awarded after admission.

◑ International students are required to enroll in the National Health Insurance and maintain coverage until graduation
